

## ***POSITION VACANCY ANNOUNCEMENT***

**Position:** Maintenance Technician (FT)  
**Starting Salary:** \$21.95/hour  
**Posting Date:** June 24, 2026

**Department:** Airport  
**FLSA Status:** Non-Exempt  
**Closing Date:** July 8, 2026

### **Job Summary:**

This position performs a variety of technical duties in support of airport operations and performing maintenance, repair work, and upkeep on airport grounds, buildings, and equipment.

### **Major Duties:**

- Assists the Airport Director with construction and inspections on projects.
- Ensure the airport and grounds are free of debris. Manages vegetation and coordinates its removal as necessary.
- Assists fuel purchases and monitors fuel sales.
- Ensures that the airport follows FAA regulations.
- Maintains and repairs airport facilities.
- Works with the Airport Manager to understand and focus on inspecting the runway safety area for potential hazards.
- Greets pilots, passengers, and crew members.
- Assist with customer service duties as needed.
- Operates a tractor / bush hog and other equipment.
- Responsible for maintaining airport roads to ensure a safe and aesthetic condition.
- Perform other related duties as assigned for the efficient operations of the Airport.

### **Minimum Qualifications:**

- Possession of a high school diploma or equivalent.
- Knowledge and level of competency are commonly associated with completion of specialized training in the field of work.
- Possess a working knowledge of the airport fuel farm and fueling trucks. Ability to receive fuel orders and fuel a variety of aircraft, while observing established safety protocols.
- Experience sufficient to thoroughly understand the work of subordinate positions to be able to answer questions and resolve problems, usually associated with one to three years' experience or service.
- This is a front-line position and is responsible for greeting airport clients, including pilots, flight crews, and passengers.
- Possession of or ability to readily obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated.

Must pass a Background/Reference Check and Pre-Employment Drug Screenings prior to the start of employment.
